Product highlights

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Audio Adapters Included

Audio adapter included for versatile application of product.

Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Plug and play

Plug and play offers easy installation of components without time-consuming installations.

Metal shell

The metal shell protects the internal connection of the cable. It ensures durability and the reliability of your connection.

Fiber Optics

Strands of optically pure glass as thin as a human hair carry digital information to your components for uncompromised sound.
